\*Schedules are subject to change

### Attendance

Attendance is determined by participation in weekly learning activities. A student is reported absent for a week if there is no participation in course discussions or submission of assignments during that week. Under emergency circumstances, a student may be allowed one absence in courses that are five weeks or more in length and must file an absence appeal. Students exceeding the allowed tardies/absences will receive a failing grade.

***The Attendance Policy can be found in the Graduate and Continuing Studies Catalog.***
